

WASH-Connect

One App Does It All

Coinamatic®
Laundry & Beyond. **Simply Clean.**

Do Laundry with Ease!

With the WASH-Connect app, there's no need to fumble for coins, search the laundry room for available machines, or guess when your laundry is done. Pay for laundry from your phone, submit refund and service requests, and much more!

The app automatically displays washers and dryers available nearby. You simply tap on the machine you want to use and pay right from your phone within seconds. Plus, you have the added convenience of being able to track and get notifications when your laundry is done - all with this secure app.
